Membership at DCS entitles Library Borrowing Privileges

Members may borrow up to four items from our library at a time. We have a four week lending period. We ask that you return items by their due date. If nobody else is waiting for the item that you have checked out, you may renew the item for another four weeks. For every business day past the due date, there will be a charge of \$0.25. If there has been a serious abuse of library privileges, they will be revoked. Borrowers who return items severely damaged will be charged replacement costs.

Borrowing Agreement: I have read and understand the DCS Library Borrowing Policy. I accept responsibility for all lost, damaged or late items.
