

**Can you help or do you know of someone you could recommend?**

**This is a GREAT OPPORTUNITY for the right person/family!**

We are looking for a paid **home share/placement** for our wonderful adult **deaf** son. This is a contract position through Community Living B.C. and posAbilities.

**The ideal home/family would include:**

- a **good knowledge of American Sign Language (ASL)**
- easy access to the SkyTrain and buses
- willingness to welcome our son as a contributing member of the household
- able to provide support to ensure safety and security
- able to help organize various activities

**More about our son:**

- in his late twenties and fluent in ASL
- quite independent with support
- relies on transit to get around
- comfortable using text, Facebook and iPhone
- very social, outgoing and loves children & pets
- works part-time in Vancouver and volunteers at a community day care in south east Vancouver
- active in Burnaby Special Olympics
- has an active personal support network through Planned Lifetime Advocacy Network (PLAN) and an involved family
